AT THE GRAND

SERIOUS RELAXATION. WELCOME TO THE RTJ SPA TRAIL.

First came great golf in 1992. Next, luxury 4 diamond hotels. Now, the addition of world-class spas and enhancements to the RTJ Spa Trail. Let the pampering begin. From traditional warm stone massages to red carpet ready facials, the RTJ Spa Trail features six spas across Alabama offering innovative treatments in exquisite settings. With nearly 80,000 square feet of space collectively, the Spa Trail locations feature 49 treatment rooms for relaxing and rejuvenating experiences.

We hope you enjoy your spa visit. Our spa professionals are ready to take great care of you.

RTJ SPA TRAIL LOCATIONS: Spa at the Shoals (Florence); Spa at Ross Bridge (Hoover); Spa at Grand National (Opelika); Spa at Montgomery; Spa at the Battle House (Mobile) and Spa at the Grand (Pt. Clear).

MASSAGE

THE GRAND ARTISAN SIGNATURE MASSAGE

Using a custom blend of signature oils and creams, specifically designed for the Grand Spa, our skilled massage therapists will apply a collection of modalities to ease tension, relax the body, and calm the mind. We welcome our spa guests to request any modality of their choosing or a combination of Deep Tissue, CranioSacral Therapy, or Swedish Massage. Our signature service includes a botanical warm compress, complimentary hydrating service for the hands or feet, and is sure to leave you saying, Spaaaahh...

CUPPING THERAPY

Using unique tools for cupping therapy, your therapist will place these cups along areas of tension and with light suction, gently glide them along the skin. For particular ailments or to assist with knots they may "park" the suction cup in one specific area allowing the tissue to breath. Strokes are guided in the direction of your lymphatic system and waste is eliminated from your body naturally. Cupping may leave temporary and natural markings on the skin based on skin sensitivity.

CHEMICAL PEELS

Chemical peels are used for those looking for more serious skincare options. Our qualified estheticians will perform a skin analysis and custom design the correct peel for your skin type. Using advanced clinical strength formulas, your esthetician will thoroughly cleanse the skin before applying a layer of acidic chemicals meant to eliminate the appearance of fine lines, wrinkles, and hyperpigmentation. Over the course of a few days, your skin will begin to peel and reveal brighter, rejuvenated, and youthful skin. Not recommended for darker skin types.
